Mes chers confreres,

Anniversaries are important milestones that we remember and celebrate because they mark special occasions in our lives and invite us to call to mind happenings in the past that shaped us into what we have become and brought us to where we are today.

This year we mark the 40th anniversary of the Chaîne des Rotisseurs' Bailliage de Manille which was created in 1972 at a precarious time in Philippine history. It must have seemed irrelevant then to found an organization whose heart lies in things that, in times of chaos and fear such as the early 70s were, might have been deemed out of step with the times—good food, fine wines, impeccable table manners, and the exclusive company of kindred spirits. But like all good things, the Chaîne has not only survived but thrived, proving that anything that lifts the soul and warms the heart can endure the toughest tests and, indeed, does.

It is to the credit of the men and women of the Chaîne who came before us that we are here today to savor the pleasures of the table in the company of dear friends. Our thanks to them and our congratulations to our present members who today lend life and color to our organization.

Today, we lift our hands in thanksgiving for the Chaîne and raise our glasses in praise of the splendid concept upon which it rests, certain that as long as there are people in our midst who appreciate and seek the finest things that life has to offer, the Chaîne will be here to stay!
Vive le confrerie! Vive la chaîne!

FEDERICO S. BORROME0, JR.

To my dear confreres,

For the past forty years the Chaîne des Rotisseurs in the Philippines has been fostering this kind of fraternity and the culture of the table in new and exciting ways; in experimenting with menus and titillating liquors and beverages in the experience of stately functions formal dinner with awesome vintage wines and of caresse champagne.

With the flurry of activities leading to the Grand Chapitre International compressing of spectacular events over 5 days. We have collated pictures over the past two years with a reference to the early days to commemorate the few that takes place in our monthly sometimes twice monthly get-together, there priceless experiences of the epicurean lifestyle, so vital for those who need the relaxatio from their work week as the excitement of seeing ones closest friends, over a great dinner and that heavenly ELIXED-COME?.

The 5-day festivities begin on March 14 with a Bacchanalian celebration in Cebu Shangri-La. Guests will be treated to a sumptuous spread of native delicacies served by waiters and waitresses donning native costumes, and will be treated to a cultural show featuring a series of exotic dances

Following that with the famous Manila bay sunset as its backdrop, the 40th Grand Diner Amical follows on March 17, at the Marquee of the Sofitel Manila. The Philippine Opera Company will render a vignette of Philippine history thru music; this date coinciding with the arrival of Magellan and the 1st Europeans in 1521. The menu will feature exquisitely prepared dishes paired with world-class wines, with both food and drink having links to the Philippines and its history.

To cap off the Grand Chapitre in a spectacular fashion, a polo tournament and farewell party will be held at the hallowed grounds of the Manila Polo Club on March 18. Steeped in tradition and ceremony, it will be a fitting finale to this epicurean event.

Through this Grand Chapitre, the Bailliage de Manille hopes to prove to both our visitors and ourselves, that even in gastronomy, it indeed is more fun in the Philippines!
