and their friends and relatives to enjoy our Russian

Daily Program and Itinerary Details

22nd-25th September, 2011

Due to the requirements for a Russian Tourism Visa, and the rich full-day program we have prepared for all our foreign guests, our below itinerary is offered to each participant with all its features included in the price. The only optional items not included are:
Participation in the cultural evening program (Sept. 23rd);
Independent extension stay in St. Petersburg before or after the official tour program days; Tour extension to Moscow (Sept. 25-27th).

Day 1: 22nd September, 2011, Thursday: "Welcome to St. Petersburg"

Individual arrivals in St. Petersburg. Each arriving member and his/her party will be met and transferred to the hotel of their choice, either **Grand Hotel Europe** (left), or **Hotel Novotel** (right).

Your personal guide will provide short commentary and an orientation tour en-route. Check in to your chosen hotel. – Free time.

18:00 Report in the lobby of your hotel to your group leader for a departure to our dinner restaurant.

18:45 Departure by motor coach to the **Russian Vodka Room Restaurant**.
Dress Code: Business-like, and all members to wear their chains.

20:00 Upon our arrival we shall have a brief tour of the Russian Vodka Museum, where the Welcome Cocktails, and opportunity for Russian vodka tasting will also take place. Later our Welcome Dinner will be served in the Museum's restaurant. Our host for the evening will be **Mr. Leonid Garbar**, Baillie of St. Petersburg, and the Proprietor of the restaurant.

About 23:00 Return to the hotel. End of the day's program. - Overnight in your hotel.

Day 2: 23rd September, 2011, Friday: "Russian Countryside Experience"

Starting at 07:00 Breakfast available in your hotel restaurant as you please.

09:00 Departure from the hotel by bus to the pier where we'll board a "**Meteor**" hydrofoil, which shall speed us across the **Gulf of Finland** to the town of **Peterhof** (in Russian **Petrodvorets**), where the old summer palace of **Peter the Great** is located. (NOTE: Due to the approaching fall and pending on the strength of the wind, the operation of this cruise will be subject to the height of sea waves.) The Peterhof palace complex consists of the grand palace, about 20 smaller palaces

and pavilions, and seven incredibly beautiful and peaceful gardens and park areas. Since there are several royal palaces in St. Petersburg, all built in the early 1700's baroque style, the main attraction is not the palace, but the park and fountain ensemble, which is a unique landmark of the Russian artistic culture and style of that era. There are a total of 174 different fountains, and 4 water cascades, of which the most majestic is called the "Samson". (See the photo on the cover page of this program.) It is a huge, wide, terraced cluster of fountains with numerous gilded and dramatic statues shooting water high up into the air. It has gained worldwide fame and has also become a symbol of the city.

13:00 A traditional Russian lunch will be served in the "Summer Palace Restaurant", located just outside of Peterhof. During the lunch a Russian national **folkloric song and music program** will entertain us.

After the lunch we shall start our return trip to the city, but on the way we'll experience two more visits. Our first stop will be at the **Konstantinovski Palace**, located not far from our restaurant and the village of Peterhof. This palace is the official St. Petersburg residence and reception hall of the **Russian President** whenever he is in St. Petersburg.

Our second stop will include a short ride between a few unique stations of St. Petersburg's famous underground train system, locally called "**Metro**",

Approximately 16:30 Return to your hotel. - Free time for relaxation.

18:00 Optional Program for those guests who chose the cultural evening show:

Departure from your hotel to the optional evening program of Russian culture. You will be offered two choices: **A) An Evening of Russian Classical Ballet** (the name of the ballet performance shall be announced earliest in August when the local theaters publish their fall playbill), or **B) An Evening of Russian Folkloric Dance and Music Performance**.

Note: For those guests who opted not to participate in the cultural evening program there will be free time until about 21:30, when both parties will join together for the "après theatre souper". Transportations are provided for all parties.

19:00 Curtain time for both the Ballet and the Folkloric Performances.

Approximately 22:00 A late dinner will be served for all guests joining together at the **Caviar Bar** of the **Grand Hotel Europe**, hosted by **Mr. Leon Larkin**, the General Manager of the hotel. - After the dinner end of the 2nd day program. - Overnight in your hotel.

Day 3: 24th September, 2011, Saturday: "Imperial St. Petersburg, and Gala Dinner"

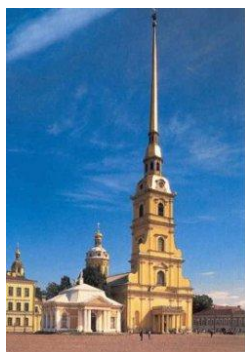

Starting at 07:00 Breakfast in your hotel restaurant as you please.

09:00 Departure from the hotel on a comprehensive morning tour "Introduction to St. Petersburg". The program includes all major sights of the historical center of St. Petersburg, among these locations will be a stop at the most picturesque spot of the city, the "**Strelka**", as the tip of the **Vasili Island** is called. A unique panoramic view of the city is offered from this point, next to the **Rostral Lighthouses**. On the other side of the **Palace Bridge**, across the Neva River, is the starting point of **Nevskij Prospekt**, the pulsating main street, and the

heart of St. Petersburg. The main fashionable shopping malls, department stores, hotels, restaurants, and commercial centers are located on this relatively short strip.

During your drive along the street you will see the **Winter Palace**, the **Palace Square**, the **General Head Quarter's Arch**, the monumental **Alexander Pillar**, the **Admiralty Building**, the **Kazan Cathedral**, the **Gostinnyi Dvor** Department Store, the **Alexandriinski Theater**, and other famous palaces and historical buildings of interest. You will cross the **Moika**, **Griboyedova**, and **Fontanka Canals** and drive across the unique **Anichkov Bridge** decorated with four horses at each corner. Part of the touring will be by bus, but also a boat ride along the **Neva River**, and along the canals of the city is included. Our canal cruise shall end at the **Peter and Paul Fortress**.

The **Peter and Paul Fortress** is considered to be the birthplace of St. Petersburg, having been founded by **Peter the Great** in May 1703. The fortress was built with the purpose for the city defense. However, it was soon realized that its location was too far inside the city. In 1872 it became a prison, and held political prisoners. The main part of the fortress' architectural ensemble is the **Cathedral of Peter & Paul** designed by an Italian architect **Tresini**. The Cathedral became the burial place for many members of the **Romanov Dynasty** rulers including Peter the Great himself, and the last Emperor **Nikolai II** and some of his family members.

It has been an ages long local tradition of St. Petersburg to give a noon time signal to the citizens by firing one of the historical guns at the ramparts of the Fortress. On this remarkable day one of our international Grand Chapitre guests shall have the unique honor of announcing the 12:00 noon moment for the entire city by pulling the gun's trigger.

12:30- 13:45 A floating lunch will be served aboard the **New Island** restaurant ship. This restaurant is famous for having hosted many international politicians, dignitaries and celebrities, among them the ex-president George W. Bush.

14:00 Visit to the **Hermitage Museum** and to the **Winter Palace**, including a special visit to the **Gold Chamber**.

The **Hermitage Museum** is one of the world's leading, most famous and prestigious museums today. It was founded by **Catherine the Great** in 1764 first as her private court museum. Today the museum includes a total of six buildings, and contains 460 rooms, and about 3 million exhibits. In the Hermitage Museum you can admire the works of such famous artists like **Titian, da Vinci, Raphael, Caravaggio, Crespi, Giordano, Velazquez, El Greco, Rubens, Rembrandt** (one of the world's best collections), **van Dyck**, all the way to **Degas, van Gogh, Matisse, Monet, Cezanne, Picasso** and others - too many to mention.

The **Winter Palace** section of the building is the former residential palace of the **Romanov Dynasty** czars. Our tour will include the throne rooms, gilded and marbled reception and ceremonial halls, huge ballrooms, and endless collections of art and wealth.

16:15 Return to the hotel for relaxation and personal preparation for the Grand Gala Evening to follow.

Induction Ceremony and The Gala Dinner

18:45 Departure from the hotel to the unique **Yousupov Palace**, which shall be the location for our Cocktail Reception, Membership Induction Ceremony, and the Gala Dinner. The Yousupov Palace used to be one of the five palaces this Russia's wealthiest family had in St. Petersburg prior to the revolution. The palace has also a notorious side because the famous preacher and religious healer, **Gregory Rasputin**, was murdered in the cellar of the palace by young **Felix Yousupov**.

About 20:00 The Gala Dinner and Evening Program will start.

After 23:00 Return to your hotel and overnight. – End of the 3rd day program.
